

Mission Inn Resort & Club Golf Fact Sheet

Description:	Mission Inn Resort's two golf courses are wonderfully complementary. El Campeón (The Champion), — one of the oldest courses in the South, with the classic design elements to prove it—showcases unusually sharp elevation changes in usually flat central Florida. The course is featured on the historic Florida golf trail (http://floridahistoricgolftrail.com/courses). Las Colinas (The Hills), lives up to its name with wide fairways rolling over gentle rises. Both courses feature large, undulating greens, are surrounded by tropical vegetation, and incorporate large water hazards on many holes.
