Golf: Mission Inn Resort's two golf courses are wonderfully complementary. El Campeón (The Champion), — one of the oldest courses in the South, with the classic design elements to prove it—showcases unusually sharp elevation changes in usually flat central Florida. El Campeón is featured on the historic

Florida golf trail (<http://floridahistoricgolfrail.com/courses.cfm>). Las Colinas (The Hills) lives up to its name with wide fairways rolling over gentle rises. Both courses feature large, undulating greens, are surrounded by tropical vegetation, and incorporate large water hazards on many holes.

Both courses are rated Four Star and recognized as "Best Places to Play" in North America by *Golf Digest*.

The resort features a 30,000 square-foot driving range planted with Tifway Bermuda grass turf, practice bunkers with target greens and a 10,000 square-foot putting green.

Academy: Mission Inn Resort is the full-time home to Gary Anderson's Schematic Golf, which uses schematic drawings and high-tech equipment to demonstrate the preferred golf swing. A few times each year, Mission Inn is the Central Florida location for Bird Golf Academy and its' "Ultimate Golf Learning Experience."

Spa: Spa Marbella, a 6200-square foot facility located near the golf clubhouse, is an oasis of relaxation. The spa features five private treatment rooms, two steam rooms, private men's and women's lounges, three manicure and two pedicure stations, Thai treatment room, and spa shop. The deluxe couple's suite is an indulgent private sanctuary that offers massage and facial treatments. A secluded outdoor lanai provides exquisite relaxation, and the double Kohler couples shower features rain sprays and an overhead Swiss Tsunami. Treatments include massage, facials, body wraps and nail services.

Fitness Center: El Corredor Fitness Center, located in the clubhouse, offers strength, cardio and free weight Cybex equipment, and flat panel televisions for guest enjoyment. Personal trainers are available by appointment.

Marina: Marina del Rey, Mission Inn's nautical center, fronts on bass-filled Lake Harris, the largest in an eight-lake chain. It provides wet slip rentals, fishing, sailing, power boating, picnics and a nearby teambuilding course. The lakeside pavilion with sand volleyball and nature walk may be rented for private events.

Trap & Skeet: El Cazador Trap and Skeet Range offers guests a unique opportunity to participate in clay sports. In trap, a single machine throws targets as the competitor moves through five different stations. In skeet, two machines throw targets while participants advance around stations arranged in a semi-circle pattern on the range. Targets, shells, guns, eye and ear protection, safety and instructional clinics are offered for a unique resort experience. Clay sport activities are perfect for a group outings and corporate retreats.

Tennis: The tennis facility, under the direction of Cesar Villarroel, Level One certified USPTA & USPTR teacher, provides six Har-Tru clay courts and two Laykold all-weather courts, each lighted for evening practice and play.

The facility is recognized among the "Top 25 Resorts and Tennis Programs" by World Tennis Magazine.
