

INFORMATION

Instructions will be received prior to beginning course. Transportation provided.

Groups at each station all begin when instructed.

After shooting your round at each station proceed to the next station and stay in sequence until you finish the entire round.

Safety Officers and water stations are at each station.

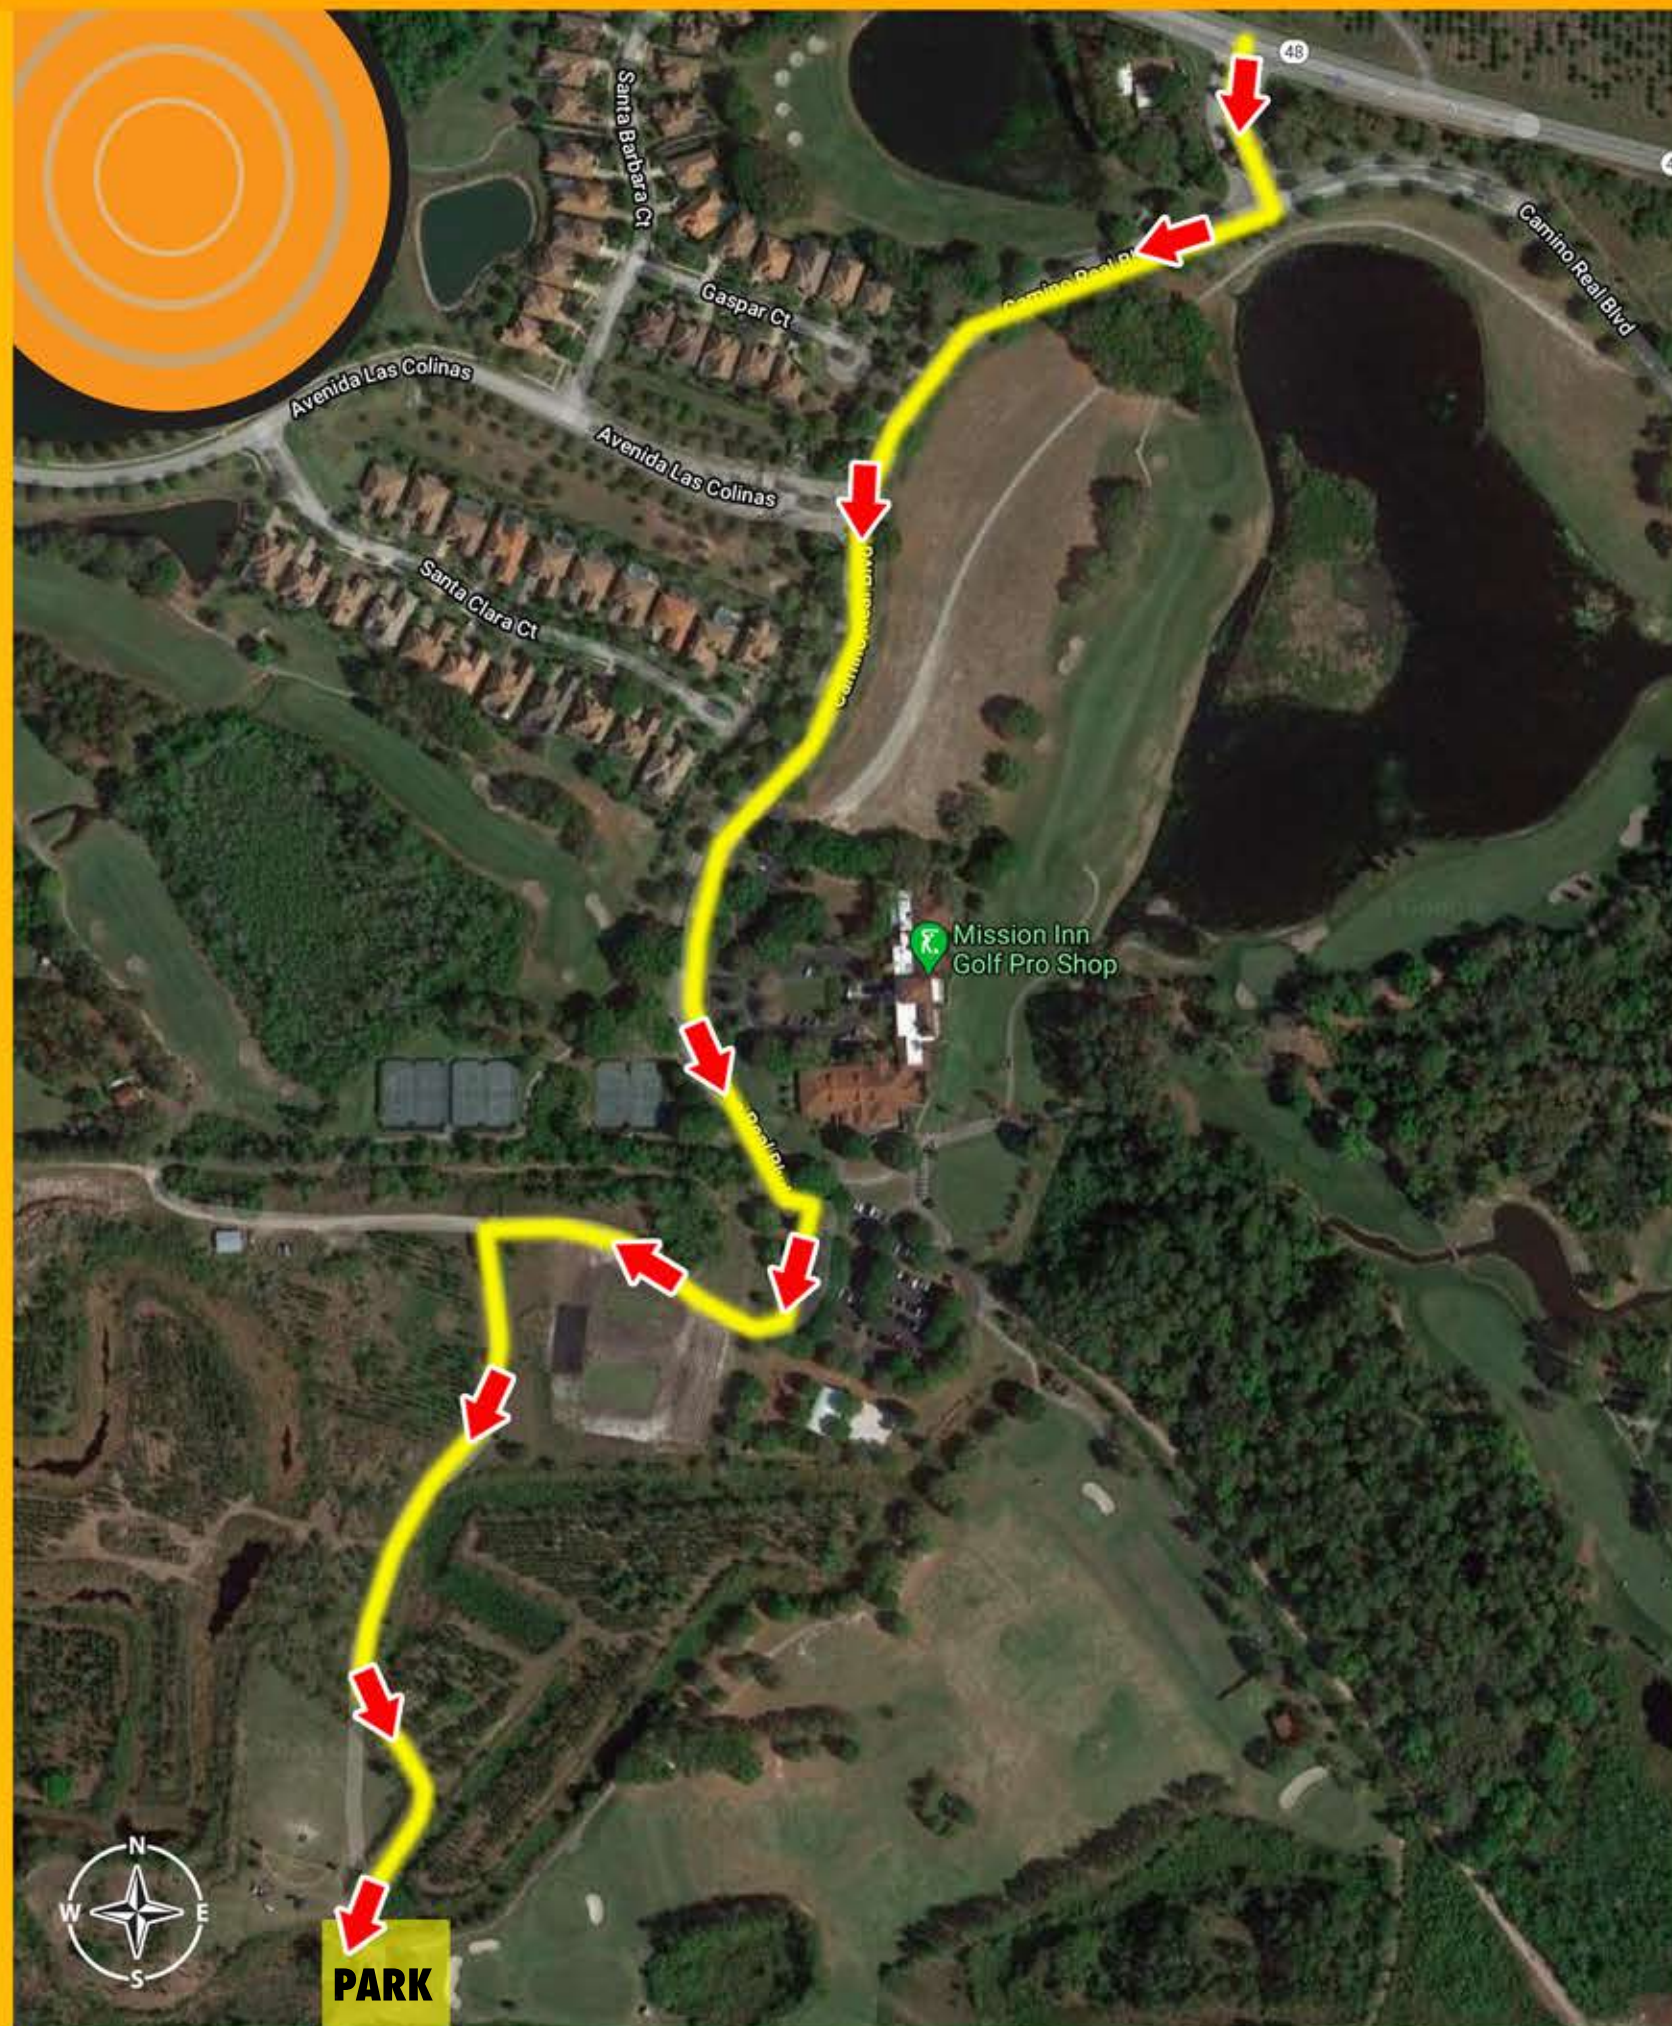

This 5 acre range has both games available. The game of Trap is a single machine that throws away from you. The Game of Skeet is two machines that throw in various directions. Some will have single targets, and some will have double targets thrown.
